*Management animals are a stag ram or goat that is not a trophy due to its antler/horn formation.

Due to the location of our 3000 acre private property close to Christchurch (63km from Christchurch airport), we can offer this extremely popular meat hunting experience – (Half day hunts start from first light until lunchtime. Or after lunch into the evening; Full day hunts are from first light until darkness). Bring your own packed lunch / meal. Hill snacks & beverages, equipment and quality firearms are also supplied if required.

Trips include a professional hunting guide for up to two people, 4WD off-road transport from the property entrance. Target range available on site.

Learn to hunt, parent/child packages available. No experience required. Can cater to all levels of fitness, including some disabilities. Great senior/junior options, and options for bow hunters.

Covid Special Hunt Packages:

(available to New Zealanders and Australians as Covid travel restrictions allow).

Guided hunts with accommodation and meals provided. Packages are quoted at time of enquiry and include guiding (as above), accommodation at [Red Cottages Staveley](#) along with meals.
